The duliness to-day was something almost with-

But there was no effort to sell stocks and they easily advanced a slight fraction on the buying of a few hundred shaces of each by the brokers of the

bull combine. There was no attempt to sell 'em even after the bank statement appeared showing a loss of over a million cash and a decrease of \$1,750,000 in the surplus reserve, while loans have again increased over \$4,000,000, and deposits increased but \$2,574,300.

The street expected a more unfavorable exhibit, as the banks lost during the week \$1,000,000 by Treasury absorptions and nearly \$1,500,000 on movement of currency to the interior, besides paying \$1,750,000 into the Treasury for the gold bars sent abroad to-day, although the last item figures only one day in the averages, since the bars were paid for only yesterday.

A little flurry occurred in the Susquehanna and Western stocks, the preferred advancing sharply 2 per cent, to 3914, and dropping back to 3814 on transactions aggregating 1,500 shares. Distilling and Cattle Feeding shares fell over 2 per cent on the startling developments touching the at-

tempt to blow up the Schufeldt distillery.
Sales at the Board amounted to 39,704 shares (silver builton certificates not included), against 115,370 yesterday and 165,113 on Thursday. Following is a summary of to-day's market:
